

m Δ ntis innovation

We created
the new DNA
of WMS...

...a great leap in WMS technology that is unique world-wide !

m▲ntis

Established in 1996

International WMS/logistics software and solutions vendor with European origins.

8 Mantis Offices

U.S.A., Canada, Israel, Greece, Poland, Romania, Turkey and Cyprus.

Extensive Partner Network

Qualified local partners and integrators in 30+ countries.

LogisticsVision
Suite

The best enterprise-scale “self-serve” WMS platform in the world

Enterprises, with sophisticated warehouse operations, can easily configure, deploy and support the WMS by themselves, thus enjoying an excellent ROI and an unbeatable low multi-year TCO.

The WMS platform of choice for integrators

Integrators are empowered to perform fast and smooth WMS implementations and painless on-going support thus drastically increasing their overall profitability.

Flexible + Smart + Affordable Warehouse Automation

Vision + Voice +
RFID Solution (VVR)

The only real-life
Vision Picking solution
that revolutionizes
Pick-to-Cart, Put-Wall
and Multi-Modal Voice
Picking

Smart Glasses

Pick-to-Light
Put-Wall

Voice Picking

Pick-to-Cart

Tightly integrated with Mantis' state-of-the-art WMS platform using proprietary technology that significantly enhance automations' overall performance while at the same time minimizes the costs due to the elimination of the relevant 3rd party control software.

the WMS of choice
for top 3PL

fast + easy onboarding
of new clients
powerful + flexible
billing + cost management
enterprise scalability

e-Commerce
meets WMS
